STUDENTS AROUND NASSAU COUNTY VOLUNTEER FOR SHAKE (SOCCER HELPING ACHIEVE KIDS EQUALITY). As more organizations have called on us for help, SHAKE has enlisted the assistance of high school students around the county to launch soccer drives in their schools. Cleats, uniforms and shin guards find new life for a needy child. Student volunteers will collect soccer gear and then SHAKE will clean and package them for shipping. If you want to volunteer and hold a drive in your school contact us at intern@fcnyemail.com
